Amendment and Response

Dear Sir:

This response is in reply to the office action mailed on November 8, 2004. In that office action, the examiner wrote, "claims 2-5, 7, 11-13 and 15-20 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims." Applicant has complied with the examiner's suggestion and amended the claims accordingly.

Applicant also submits new formal drawings as requested in the office action.

In view of the amendment and the examiner's statement, it is respectfully submitted that this application is now in condition for allowance. Such allowance is earnestly solicited.
